Anti-Bullying Policy

We derive our Anti-bullying policy from our Mission Statement 'For the love of learning, friendship and faith.' We will help all children to develop skills and the confidence to flourish.

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively.

What Is Bullying?

Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face-to-face or through cyberspace, and comes in many different forms:

Verbal: Name calling, persistent teasing, mocking, taunting and threats.

Physical: Any form of physical violence, intimidating behaviour, theft or the intentional damage of possessions. This includes hitting, kicking and pushing.

Emotional: Excluding, tormenting, ridiculing, humiliation, setting people up and spreading rumours.

Cyber: **Cyber bullying** is the misuse of digital technologies or communications to bully a person or a group, typically through messages or actions that are threatening and/or intended to cause offence, anxiety or humiliation.

Sexual: Unwanted physical contact or sexually abusive comments.

Homophobic: Because of, or focusing on the issue of sexuality
